HAPPY BIRTHDAY

Date

HEY RESHU, 

First of all, a very happy birthday to you.  I don't have a lot to say since we have not talked that much so far which I definitely wish to change. But, I can't say that I have not known you, because whenever I talked to Dishu, she's always praising your bond with her and how adorable human you are (P.S. no nazar) 

Honestly, main toh jealous ho jata tha and say to Dishu ki tumhara pehla bf to Reshu hi hai. But when I talked to you for the first time, all my doubts about how can someone be so awesome just vanished.

Baki iske alawa humari hobbies toh almost matching matching hi hain :)

★ We are gonna have a PS5 gaming session soon, and...

★ We are gonna watch some really cool animes.

Bhagwan ji ka bahut bahut thank you, merako tumhare jesi ek aur behen mil gayi. 

Again, have a great day & fantastic year.
